I have read the terms and conditions for NASTT's 2019 No-Dig Show contract _____ (initials)

Name: _____

Title: _____ Date: _____

For more information, please contact Brittany Cline, Event Sales Manager, Benjamin Media Inc. at 330-467-7588 or bcline@benjaminmedia.com.

NASTT'S 2019 NO-DIG SHOW CONTRACT TERMS & CONDITIONS

1. Contract. The following terms apply to and are part of the contract between Exhibitor/Sponsor ("Exhibitor") and the North American Society for Trenchless Technology ("NASTT"). NASTT shall have the right to terminate this contract without cause at any time upon written notice. Benjamin Media Inc. ("BMI") is a third party beneficiary of the contract and may, from time to time, perform duties as assigned to it by NASTT. These terms apply to the rights and responsibilities of Exhibitor, NASTT and its agents for a Show referred to in the contract documents in a hotel or other facility, sometimes referred to herein as the Show Facility, which is owned and operated by the Facility Owner or its agent ("Facility Owner").

2. Adherence to Show Rules. Exhibitor will abide by all terms of the contract, these terms and conditions, any revisions, any exhibition rules promulgated by or on behalf of NASTT, and any amendments made by and agreed to in writing by NASTT.

3. Floor Plan. The arrangement of the Exhibit Area is shown on the floor plan. The dimensions and locations of exhibit space, exits and other structures are believed to be accurate, but only warranted to be approximate.

4. Space Assignment. Space will be assigned as detailed in NASTT's written communication to Exhibitor. Every effort will be made to assign Exhibitor to one of its chosen spaces; however, NASTT reserves the right to make the final space assignment or change the space assignment after the acceptance of the application should it be necessary in the best interest of the Show. Exhibitor shall not assign, sublet or share its space with another.

5. Payments & Cancellations

- A fifty percent (50%) non-refundable deposit is required to be paid with submittal of the signed sponsorship and/or exhibit contract. No sponsorship and/or exhibit application will be acknowledged or promoted, either in print or on the No-Dig Show website, until the contract and required deposit have been submitted and processed.
- The remaining fifty percent (50%) of the sponsorship and/or exhibit is due December 1, 2018. If any balance due after December 1, 2018 is not paid, sponsorship and/or exhibitor's booth space will be released by NASTT.
- Exhibitor must be a paid NASTT corporate member for 2019 to receive the corporate member rate.
- Sponsorship and/or exhibit contracted after December 1, 2018 must be paid in full with submittal of contract.
- No cancellation is allowed unless received by NASTT and its agents in writing. The date upon which the notice of cancellation is received shall apply as the Cancellation Date.
- For sponsors and/or exhibitors paying 100 percent and cancelling before December 1, 2018, a 50% refund is available. Those qualifying for refunds will be paid within 30 days after the close of the No-Dig Show.
- Said established cancellation fees shall also apply as penalties for the downsizing of exhibit space.

6. Service Order Kit. The Service Order Kit ("SOK") will be sent to Exhibitors, who have paid in full, approximately 8-10 weeks prior to the Show. This SOK contains important information and order forms for the services offered by the Official General Contractors, including drayage, booth furnishings, labor, electrical service, telephone, etc. Special orders for water, gas, special electrical service, etc. not covered by the SOK should be brought to the attention of the appropriate Official General Contractor at least 30 days before the Show.

7. Shipping Instructions. Materials to be shipped should be forwarded in accordance with the specific instructions given by the Official General Contractor. Exhibit material should always be sent PREPAID with a copy of the Bill of Lading sent to the Official General Contractor. Exhibit material should be scheduled to arrive not more than 30 days or less than 2 weeks prior to the Show's installation. Nothing should be sent to the Show Facility in advance, as its staff is not prepared or authorized to receive your shipment. If it is necessary to ship directly to the Show Facility, Exhibitor must schedule its shipment to arrive during the installation and coordinate the details with the Official General Contractor.

8. Exhibit Booths and Displays (Height Limits). In-line booth exhibits/displays may be placed in the area not more than four feet forward from the back wall of the booth and up to a height not to exceed eight feet from the exhibit floor. All parts of the exhibit/display in any portion of the booth beyond four feet from the booth back wall shall be placed not to exceed the height of dividing side rails of three feet.

Height limitations must be observed as follows: In-line booths shall not exceed eight feet in height. Island Booths shall not exceed the height given in the SOK. An Island Booth is defined as a booth with aisles on all four sides. All others are defined as in-line booths. No advertising logos, displays, signage or exhibit structure may exceed the height limitation. Bridging of booths across an aisle for any reason and by any means must receive prior written approval of NASTT and its agents. Multi-story booths are not permitted.

Exhibits/displays not meeting these specifications or which in design, operation or otherwise are objectionable in the opinion of NASTT and its agents must be modified.

All unfinished parts of an exhibit/display that are exposed and facing an aisle or neighboring exhibitor must be curtained off at Exhibitor's expense.

9. Exhibitor Service Desk. Provisions will be made to maintain in or near the Exhibit Area an Exhibitor Service Desk staffed by the Official General Contractor(s) throughout the Show's installation, operation and dismantling periods. The Service Desk will normally be open daily from 8:00 a.m. to 5:00 p.m., unless otherwise designated.

10. Official General Contractors.

NASTT has selected the Official General Contractors to provide services and furnishings for this Show. The following services and furnishings must be provided by the Official General Contractors, whose forms will appear in the SOK: security, cleaning and janitorial services, freight handling in/out, standard rental furnishings, and equipment for rigging, erecting or dismantling Exhibitor's display.

11. Exhibit Appointed Contractors. Exhibitors may utilize their own contractors ("Exhibitor Appointed Contractors") only for installing and dismantling booths and agree to submit a completed Exhibitor Appointed Contractor Notice by the due date. Exhibitor Appointed Contractor Notices are contained in the SOK. A copy must be submitted to the Official General Contractor as well as to NASTT. Exhibitors utilizing Exhibitor Appointed Contractors agree to indemnify and hold harmless the Conference Sponsor(s), NASTT and its agents and the Exhibit Facility owner, from any all liability, including attorney's fees, which may arise due to Exhibitor Appointed Contractor's presence or actions.

All Exhibitor Appointed Contractors must maintain the following General Liability Insurance Coverage: (1) General Liability, broad form: one million dollars; (2) Automobile Liability, any auto: one million dollars; (3) Workers Compensation as required in the state the Show is located; and (4) Employers' Liability: one-hundred thousand dollars. Umbrella Form Excess Liability may be used to bring coverage levels up to these requirements. In addition, the policy must name as additional insured: NASTT and its agents and the Facility Owner. Exhibitor Appointed Contractors must have available during the Installation Period for management's review a copy of the certificate of insurance with the above requested additional insured. Only Exhibitor Appointed Contractors able to produce a certificate of insurance completed with appropriate coverage and additional insureds will be able to work in the Show. All others will forfeit their work to the Official General Contractor.

12. Installation of Exhibits. Exhibitor may have access to the Show Facility starting at the beginning of the Installation Period. The Installation Period begins at 8:00 a.m. and ends at 5:00 p.m., unless otherwise designated. Requirements for services before or after these times must be arranged through the appropriate contractor.

Exhibitor must have the installation of its display completed and its Exhibit Area ready for viewing by show attendees at least one hour before the opening of the show. Any booth with a crated display remaining unattended for four "working hours" prior to the end of the installation period will be erected or put into storage, at the discretion of NASTT and its agents, unless otherwise arranged by Exhibitor in advance. All charges for labor and other associated expenses will be applied to Exhibitor of record. An Exhibitor not utilizing its space by the mandatory time of completion shall forfeit the use of its assigned space. NASTT and its agents reserve the right to use such forfeited space without further obligation to Exhibitor.

All empty crates, upon erection of the display, shall be labeled as such and properly identified with company name and booth number for removal by the Official General Contractor from the exhibit floor. All empty crates and cartons must be properly identified to facilitate their delivery by the Contractor at the close of the show. The Show Facility does not provide a storage service for empty crates and cartons, but will maintain a janitorial service of the aisles, entrances and exits in the Exhibit Area.

13. Selling On the Show Floor. Exhibitors are strictly prohibited from selling anything for cash or credit on the show floor. Exhibitors doing so will be subject to dismissal from the show.

14. Exhibit Operations and Activities. Exhibitors are responsible for the actions of their Exhibitor Appointed Contractors and must inform them of these terms and No-Dig Show rules.

Distribution of printed matter, souvenirs or any other form of unauthorized advertising is forbidden in corridors or lobby of the convention facility, hotels or Exhibit Area. No activities will be permitted in the Exhibit Area that are

contrary to law or the rules of the Show or Show Facility or which will disturb exhibitors in the immediate area. The Exhibitor's booth must be maintained by at least one company representative at all times during the Show's operation. All displays, equipment, booth furnishings, product demonstrations, prize drawings and marketing/promotional activities, including surveys of any nature conducted by Exhibitor or a contracted survey firm, must be confined to the booth.

Materials, equipment (including lighter-than-air products, smoke or noise producing products) or activities which detract from the atmosphere of the Show or which disturb exhibitors are prohibited. Costumed personnel or mannequins must not be offensive or disruptive in their appearance or dress. NASTT and its agents shall have the right to prohibit any exhibit which in their opinion is not suitable to the character or purpose of the Show and shall be modified by Exhibitor at the request of NASTT and its agents.

Exhibitor may attract attendees into the booth by use of demonstrations and activities that encourage visitation to its booth. NASTT, while encouraging such activities, request the consideration of fellow exhibitors and the maintenance of an atmosphere which allows all participants to conduct business discussions without the interruption of activities that encourage booth visitation.

Visitors to the booth must be contained within the booth to allow aisles to be free from interruption of flow through the Show Facility and allow easy evacuation in the event of an emergency.

Meeting rooms or competing events shall not be booked during technical sessions without NASTT's express consent.

15. Dismantling and Removal of Exhibits. The packing of merchandise and dismantling of displays/exhibits shall not start until after the Show closes. Empty crates and cartons will not be delivered until this time. Arrangements for Exhibitor's use of services such as labor and shipment of exhibit materials from the show site must be made well in advance of the Show's closing. Materials left in Exhibitor's booth after the show not packed/ crated or covered by a bill of lading for shipment will be packed, shipped or stored at the discretion of the Official General Contractor, and all expenses will be charged to Exhibitor of record. The Exhibit Area must be cleared of all exhibit materials by the end of the dismantling period.

16. Safety. Exhibitor agrees that the first priority of all personnel in the booth shall be safety of those attending the booth, during, before or after the Show's open hours. Fire regulations require all display material used for decoration to be flameproof. Any and all electrical equipment used in conjunction with the display's installation, operation and dismantling shall be in good operable condition and be able to pass the inspection of the local Fire Underwriters Inspection Bureau. Storage of materials around or behind the Exhibitor's booth is prohibited. Any stored materials shall not block access to the exhibit or necessary areas of maintenance or cover electrical wires or outlets.

17. Security/Liabilities/Insurance.

(a) Exhibitor agrees to indemnify, protect, save and hold harmless NASTT and their agents, employees, contractors or representatives from and against any and all losses, damages, injuries, claims, demands and expenses, including legal expenses of whatsoever kind and nature, arising due to Exhibitor's participation in the Show from set up to removal of all exhibits.

(b) Exhibitor understands NASTT and its agents and the Show Facility maintain no insurance covering Exhibitor's property, and it is the sole responsibility of Exhibitor to obtain such insurance.

(c) Exhibitor agrees to carry General Liability Insurance with a single limit of not less than one million dollars for its employees, agents, contractors, representatives and guests present at the Show in each of the following categories: (1) Broad Form General Liability, and (2) Automobile Liability. NASTT and its agents shall be named additional insured on a primary and non-contributory basis on exhibitor's general liability policy with waiver of subrogation in favor of NASTT and its agents. Exhibitor shall submit a Certificate of Insurance evidencing such coverage to NASTT and its agents listing NASTT and its agents as certificate holder. In addition, Exhibitor agrees to provide Workers Compensation Insurance providing benefits for the state in which the exhibit facility is located and Employers' Liability of one hundred thousand dollars per accident. An umbrella policy is satisfactory if it covers all these areas.

(d) NASTT, its agents and employees will not be liable for failure to hold the Show as scheduled. Payments for exhibit space will be returned in that event, less any actual expenses for which NASTT and its agents are responsible or which they incur in connection with the Show. Expenses will also be deducted if the Show is relocated, delayed or cancelled prior to the opening date because of fire, severe weather, flooding, act of nature, actions of a public enemy, strike, epidemic, terrorism, any application of law, or action of public authority, or any other reason which makes it impracticable or undesirable to hold the Show.

(e) NASTT and its agents, the Official General Contractors, the Facility Owner, their members, agents, representatives and/or employees will not be responsible for any injury, loss or damage that may occur to Exhibitor or its employees or property from any cause whatsoever before, during or after the Show.

(f) Exhibitor agrees to maintain insurance that will fully protect, indemnify and hold harmless NASTT and its agents and the Facility Owner from any all claims of any nature whatsoever, including attorney fees, which may arise due to the actions or negligence of Exhibitor, its employees, members, contractors or representatives, including claims under the Worker's Compensation Act, and for personal injury or death, which may arise in connection with the installation, operation or dismantling of Exhibitor's display.

(g) Security guards shall be furnished during the installation hours, closed hours and dismantling hours of the Show. The furnishing of security shall not give rise to or increase the liability of NASTT and its agents or the Facility Owner. After show hours, only those exhibitors properly identified and with the authorization of NASTT and its agents may enter the Exhibit Area. During show days, Exhibitor's personnel may have access to the Exhibit Area no more than one hour prior to its opening and one hour subsequent to closing.

(h) Damage to inadequately packed property is Exhibitor's own responsibility. Exhibitors are advised to add to their existing insurance a portal-to-portal rider protecting them against the damage or loss of their materials by fire, theft, accident, etc.

18. Admission. NASTT and its agents shall have sole control over all admissions of persons. All persons visiting the Exhibit Area will be admitted according to the then-applicable rules, regulations and policies of the Show.

19. Limitation of Warranty. NASTT and its agents provide all exhibit services, space and equipment "as is" with no warranties, express or implied, and make no warranty of merchantability or fitness for any particular purpose. In no event shall NASTT or its agents be liable for any consequential, special or incidental damages, or contingent liabilities including, without limitation, lost profits or goodwill, whether arising in tort, contract, under statute or under other law, rule or regulation. No representative of NASTT and its agents or any other party has authority to offer or provide any further warranty or relief. NASTT and its agents' entire liability shall be limited to the amount paid to NASTT under this contract.

20. Entire Agreement. The contract between the parties set forth in the Exhibit Application and Contract, NASTT's acceptance and these Terms and Conditions set forth the entire agreement between Exhibitor and NASTT and supersede all prior agreements, understandings, whether written or oral, between the parties regarding the subject matter hereof.

21. Applicable law. The parties' agreement shall be governed and construed in accordance with the internal laws (and not the laws of conflicts) of the state of Ohio.

22. Dispute resolution. Any controversy or claim arising out of or relating to this contract, or the breach thereof, shall be settled by arbitration in Minneapolis, Minnesota (a central location deemed to likely be convenient to the parties) administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Claims shall be heard by a single arbitrator. The only discovery allowed shall be provision of relevant documents and a single representative of each party or its representative if specifically allowed by the arbitrator for good cause shown.

23. Miscellaneous. The failure of NASTT to enforce any provision of the contract or Terms and Conditions shall not be construed as a waiver of such provision or of the right of NASTT to thereafter enforce any such or any other provision. The provisions of the parties' agreement are severable. If any one or more provisions are or may be determined to be unenforceable, in whole or in part, the remaining provisions shall nevertheless be binding and enforceable to the maximum extent permitted by law. These Terms and Conditions will survive termination or expiration to the extent necessary to carry out the intentions of the parties
